The TCA prepared an information note on the agenda item related to the discussion of the proposal for the establishment of an Organisation of Islamic Cooperation SAIS' Group and sent it to the Ministry of Foreign Affairs, which in turn forwarded it to the Permanent Representation of Turkey to the Organisation of Islamic Cooperation.

While the representative of the TCA made contributions within the framework of the assessment note and assessments made during the meeting, the participants of the meeting agreed on the establishment of a sub-committee for the examination of the issue, which will allow for receiving assessments from the member states and preparing a report on the basis of these assessments.

Decisions were taken following discussions on the agenda items. The most important decision for the TCA is that the proposal for the establishment of an Organisation of Islamic Cooperation SAIS' Group was transferred to a sub-committee for further examination.
